Inspiring women to develop an outward style to reveal their inner beauty!

## Hello Beautiful Friend!

I hope you all had a fabulous Thanksgiving and are enjoying the beauty of this holiday season! It IS the most beautiful time of the year!! The colors showing up in stores and online are absolutely stunning for this winter! I hope you will be able to build a perfect wardrobe surrounded in the best colors for your Color Code and enjoy some of the awesome trends of the season too!

I wanted to share some inspiration for building your winter wardrobe for 2024-2025 and would love for you to share with me your favorites! Whether you are lounging with family or celebrating with friends and co-workers at all the holiday parties, you can always look FABULOUS!

Remember, holiday magic starts with a stunning outfit! Cozy up in winter whites and add a pop of color in your color code for an elegant look. Bring on the holiday cheer in some of the beautiful jewel tones. Enjoy all the pastels, plaids and unexpected pairings to create a unique look all your own. Of course, my favorite motto for the season is always "Sparkle and Shine"! Hot cocoa, twinkle lights and the perfect outfit will get you in the Christmas mood!

Wishing you a season as colorful as your wardrobe!

I am currently booking for 2025 if your ladies event is looking for a speaker!
