## Hello Beautiful!

### Proverbs 31 Woman

I'm sure most of you are aware of the "Proverbs 31 Woman" in the Bible. It's what we aspire to be but it can certainly seem unattainable at times. Years ago I stumbled upon a card that caught my eye. I bought it without any intentions of sending it to someone but only to share with all of you!

I know we can all feel defeated at times and wonder if we are making any kind of difference to anyone. I include this verse at the top of every one of my emails to you, but today I hope to encourage you with what the "Modern Proverbs 31 Woman" looks like and probably describes many of you as mothers and grandmothers!

Enjoy!

*She gets up early to make sure everyone gets breakfast, gets dressed and she finds the missing library book that is due today.*

*She's constantly on the go- shuttling her family to school activities, church activities, and extra curricular activities.*

*She runs to the grocery store, to the bank, to pick up a present for a birthday party (all in under an hour).*

*She cleans, she washes dishes, she does laundry, and MORE laundry.*

*She checks homework, she makes dinner, she picks up toys off the floor.*

*She gives discipline when needed and gives love ALWAYS.*

*She makes sure baths are taken, teeth are brushed, bedtime stories are read, and prayers are said.*

*She says "I love you" and "good night".*

*She gets up in the middle of the night to soothe away bad dreams and stomach aches and to tuck little ones back into bed.*

*And the next day she does it all over again.*

*You're a modern Proverbs 31 woman – you make sacrifices and work really hard so your family has everything they need.*

***For all you do, and for the faithful woman you are, you're appreciated and loved!***

Now is the time to start planning your fall/winter/holiday events and retreats! **I would love to talk with you about being your guest speaker for these events!** It is always so much fun!!

*From a heart filled with grace and veins filled with glitter,*
