Inspiring women to develop an outward style to reveal their inner beauty!

Hello Beautiful Friend!

I hope you enjoyed a relaxing Labor Day weekend! I used mine to sort my closet — deciding what to keep, donate, consign, or toss. I swapped my spring and summer items to the back, brought fall and winter forward, and made a short list of pieces I want to add this season. It feels great to have it done.

Have you gone through your closet lately? If not, try to do it at least twice a year as the seasons change. Ask yourself *Knowing what I know now, would I buy this in the store today?* Your closet is your personal boutique — fill it with colors that flatter you, styles that suit your frame, and pieces that make you feel confident.

As promised, I'll be sharing new fall finds and styling tips in the next few emails.
